

What might our new Community Fire Station mean to you?

We are holding a drop-in consultation session to discuss our proposed plans for a new community fire station at Chamber Hall Industrial Estate, Bury and would like you to come along and have your say.

This is your opportunity to explore, discuss and air any views that you may have around the Fire Station plans. Our project manager, building contractors and architects will be there to answer your questions.

The event will be held at **Bury Fire Station**
The Rock, Bury
from 10:30am – 2:30pm
Saturday, February 5, 2011

Refreshments will be provided.

To find out more, please contact:

Tim Cheshire, Project Manager, Greater Manchester Fire and Rescue Service
on 0161 736 5866

or email cheshiret@manchesterfire.gov.uk
